

Bring-to-Class List

Learn to Sew – Level 1 Chef or Artist's Apron

**Prewash all fabric.
Cotton shrinks!**

FABRIC FOR THE APRON:

Choose **100% cotton fabric** such as quilting cotton or other medium weight cotton fabric. Slightly heavier weight cotton home decor canvas also works well for this project. A light to medium weight cotton denim/twill is also great.

Avoid stripes and plaids for this project. Consider buying thread that is NOT a contrast to your pocket fabric. It's a little easier to sew topstitching with matching thread when starting out.

- For the apron body: 1 1/8 yard
- For the facings and pockets: 1/2 yard of a contrasting color or pattern
- **100% polyester thread.** Get a good brand! (Gutermann, Mettler, Dual Duty XP)

The pattern and apron tie/strap will be supplied for you. Additional patterns are available for purchase, or you can find them at palmerpletsch.com

You may use the Sew-Op sewing machines and tools for this project. If you already have your own 8-9" bent handle sewing scissors, bring them.

If you have questions or need additional information, please contact Hannah Visser: hmvisser408@gmail.com or call/text (775) 343-9777.
